1. GENERAL INFORMATION

1.1. Placement route programmes

If you have chosen a programme of study that includes a placement, please take note of the following information:

- **Placement Fees**

- For Undergraduate (Thin Sandwich and Thick Sandwich) and Postgraduate Taught 'Extended Practice' courses with a one year placement, there will be a tuition fee for the placement year of £1385 (for courses commencing in 2020).
- For Postgraduate Taught non-professional courses with a placement lasting less than 12 weeks, the placement carries no additional tuition fee.

- **Placement Travel and Accommodation Costs**

You may incur additional costs pertaining to travel and accommodation in relation to your placement. Your College will be able to provide you with further advice and guidance about this as you approach your placement year.

1.2. Textbooks

Most of the textbooks that accompany each module are available within the University Library or through our online access; however, students may wish to purchase personal copies. Costs relating to course reading lists vary according to course, but second-hand copies of textbooks can be purchased from the Student Union or the from second hand booksellers.

2. COURSE-SPECIFIC INFORMATION

Undergraduate Programmes

2.1. College of Business, Arts and Social Sciences (CBASS)

Course	Additional Cost
All Theatre courses (Department of Art & Humanities)	- <i>Theatre trips</i> costing up to £200 across the 3 years of the course
BA Education (Department of Education)	- <i>Travel costs</i> of £50 associated with 1 field trip per year - Other voluntary trip costs may be incurred but these will be optional. - <i>Enhanced DBS check</i> : <ul style="list-style-type: none"> • DBS applications (completed in the UK): £46.81 • ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office.

2.2. College of Engineering, Design and Physical Sciences (CEDPS)

Course	Additional Cost
BEng Chemical Engineering (Department of Chemical Engineering)	- <i>Lab coat & other Personal Protective Equipment (PPE)</i> : The University will provide a lab coat, gloves, and safety glasses free of charge. If the lab coat is lost or damaged, a replacement lab coat will cost £15 - <i>Poster Presentation/Binding Costs</i> : £30-50 per annum - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions.
BEng/MEng Civil Engineering BEng/MEng Civil Engineering with Sustainability (Department of Civil & Environmental Engineering)	- <i>Residential Field Trip</i> : A contribution of £150 towards a residential field course costs will be required. Students should also equip themselves with suitable wet and cold weather outdoor clothing and footwear. The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met - <i>Posters/Binding costs</i> : £30-50
FdSc Flood and Coastal Engineering (Department of Civil & Environmental Engineering)	- <i>Field Trips</i> : Students must provide their own wet and cold weather clothing and suitable footwear. For the HR Wallingford Summer School students require safety (steel capped) Wellington boots. - <i>Summer Placements</i> : There may be travel and accommodation expenses associated with summer placements, which will vary according to the placement.

<p>BSc Flood & Coastal Engineering (Department of Civil & Environmental Engineering)</p>	<p>- <i>Field Trips:</i> Students must provide their own wet and cold weather clothing and suitable footwear. For the HR Wallingford Summer School students require safety (steel capped) Wellington boots.</p>
<p>BA Industrial Design & Technology</p> <p>BSc Product Design</p> <p>BSc Product Design Engineering (Department of Design)</p>	<p>- Students may wish to consider purchasing a laptop computer which can be used for coursework.</p> <p>- Students will be asked to purchase a range of drawing materials in their first year including sketchbooks, pencils and markers. In total this may cost in the region of £80.</p> <p>- Students may also have to purchase some specific materials and components for modules such as Embedded Systems and their final year Major Project, but most materials are issued free of charge from the workshop.</p>
<p>Mathematics (All Department of Mathematics courses)</p>	<p>It is recommended that students purchase a calculator. The only calculators we allow in exams are Casio fx-83 and fx-85 (any suffix). The price for such calculators is usually £10-£20 when purchased from most stationary stores or online.</p>

2.3. College of Health and Life Sciences (CHLS)

Course	Additional Cost
<p>BSc Biological Sciences (Department of Life Sciences)</p>	<p>- <i>Lab Coat:</i> The University will provide a lab coat free of charge, but if lost or damaged a replacement lab coat will cost £15</p> <p>- <i>Poster Presentation Costs:</i> £30-50.</p> <p>- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions</p>
<p>BSc Biomedical Sciences (all pathways) (Department of Life Sciences)</p>	<p>- <i>Lab Coat:</i> The University will provide a lab coat free of charge, but if lost or damaged a replacement lab coat will cost £15</p> <p>- <i>Poster Presentation Costs:</i> £30-50</p> <p>- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions.</p>

<p>BSc and MSci Environmental Science (Department of Life Sciences)</p>	<ul style="list-style-type: none"> - Lab Coat: £15 - Poster Presentation Costs: £30-50. - Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions. - Field Trips: <ul style="list-style-type: none"> • Compulsory field work in the UK requires no financial contribution (including residential field trips), but students may be required to pay for their transport to and from non-residential field locations in the London area. • Students are required to contribute to the cost of additional optional field trips, both in the UK and overseas. Destinations can vary and are dependent on options chosen. Costs range from approximately £400 to £1500, and some trips have additional transport costs. Places on field trips may be limited and will be allocated to those interested at random, if oversubscribed. Where necessary, students are required to secure their own visas for international travel.
<p>BSc Life Sciences (Department of Life Sciences)</p>	<ul style="list-style-type: none"> - Lab Coat: £15 - Poster Presentation Costs: £30-50 - Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions.
<p>FD (Sc.) Nursing Associate Apprenticeship Programme (Department of Clinical Sciences)</p>	<p>Students will require a computer/tablet for online assessments and activities. Students may wish to purchase their own textbooks, particularly for anatomy and physiology and for research. These might include the following:</p> <ul style="list-style-type: none"> • Marieb, E. (2011) <i>Essentials of Human Anatomy & Physiology</i> (10th edition) International education - £50.99 • Richards, A. and Edwards, S. (2014) <i>Essential Pathophysiology for Nursing and Healthcare Students</i>, Maidenhead: MC Graw Hill Education, Open University Press - £26 • Bowling, A. (2014) <i>Research Methods in Health. Investigating Health and Health Services</i>, UK Higher Education OUP Humanities and Social Science Health - £31.49 <p>Mental health apprentices, in order to comply with the 'bare below the elbow' policy in practice, will need to purchase a fob watch and also appropriate shoes for work.</p> <p>Additional Costs (per annum)</p> <ul style="list-style-type: none"> - Poster printing: £20-25 - Membership of union; for example Royal College Nursing £10 - NMC Registration Costs: £120

<p>BSc (Hons) Registered Nurse Apprenticeship Programme (Department of Clinical Sciences)</p>	<p>Students will require a computer/tablet for online assessments and activities. Students may wish to purchase their own textbooks, particularly for anatomy and physiology and for research. These might include the following:</p> <ul style="list-style-type: none"> • Marieb, E. (2011) <i>Essentials of Human Anatomy & Physiology</i> (10th edition) International education - £50.99 • Richards, A. and Edwards, S. (2014) <i>Essential Pathophysiology for Nursing and Healthcare Students</i>, Maidenhead: MC Graw Hill Education, Open University Press - £26 • Bowling, A. (2014) <i>Research Methods in Health. Investigating Health and Health Services</i>, UK Higher Education OUP Humanities and Social Science Health - £31.49 <p>Mental health apprentices, in order to comply with the 'bare below the elbow' policy in practice, will need to purchase a fob watch and also appropriate shoes for work.</p> <p>Additional Costs (per annum)</p> <ul style="list-style-type: none"> - Poster printing: £20-25 - Membership of union; for example Royal College Nursing: £10 - NMC Registration Costs: £120
<p>BSc Occupational Therapy (Department of Clinical Sciences)</p>	<p>Placement costs</p> <p><i>Home and EU fee paying students:</i> Students may be asked to pay an additional fee of £667 per annum to contribute towards the cost of the placements. N.B. This is dependent upon national policy, which is yet to be announced.</p> <p><i>Channel Island and Overseas fee paying students:</i> There will be an additional fee of £667 per annum to cover placements.</p> <p>Placement Travel and Placement Accommodation costs</p> <p>If students are not eligible to claim back these expenses, this will normally cost between £500 - £1000 per programme; depending on the location of the placements. For full details please visit http://www.thefundingclinic.org.uk/</p> <p>Additional Costs (per annum)</p> <ul style="list-style-type: none"> - Poster printing: £20-25 - Uniform: £70 (Overseas fee paying students only) - Membership of the Royal College of Occupational Therapists (RCOT): £60 pa - Food Hygiene Online Training: £12 - CPR (BLS: Basic Life Support) Training: students must organise and fund this themselves for each year of study at a cost of approximately £25 per year. There must be a practical component to this training. - Immunisations: For details please see https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Card <p>- Enhanced DBS check:</p> <ul style="list-style-type: none"> • Home/EU fee paying students completing the application in the UK: <ul style="list-style-type: none"> - DBS application: No charge

<p><i>(BSc Occupational Therapy - continued)</i></p>	<ul style="list-style-type: none"> - ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office. • Overseas fee paying students, or anyone completing the application outside of the UK: Total cost £57.81
<p>BSc Physiotherapy <i>(Department of Clinical Sciences)</i></p>	<p>Placement costs <i>Home and EU fee paying students:</i> Students may be asked to pay an additional fee of £1,000 per annum to contribute towards the cost of the placements in years 2 and 3. N.B. This is dependent upon national policy which is yet to be announced. <i>Channel Island and Overseas fee paying students:</i> There will be an additional fee of £667 per annum to cover placements.</p> <p>Placement Travel and Placement Accommodation costs In 2018/9 Home students could claim their travel and accommodation costs - this is determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back these expenses, this will normally cost between £500 - £1000 per programme; depending on the location of the placements. For full details please visit http://www.thefundingclinic.org.uk/</p> <p>Additional Costs (per annum) - <i>Skeleton deposit:</i> £25 - <i>Poster printing:</i> £20-25 - <i>Uniform:</i> £70 (Overseas fee paying students only) - <i>Membership of Chartered Society of Physiotherapy (CSP):</i> £39 pa - <i>Enhanced DBS check:</i></p> <ul style="list-style-type: none"> • Home/EU fee paying students completing the application in the UK <ul style="list-style-type: none"> - DBS application: No charge - ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office. • Overseas fee paying students, or anyone completing the application outside of the UK: Total cost £57.81
<p>BSc Psychology <i>(Department of Life Sciences)</i></p>	<ul style="list-style-type: none"> - Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and in class teaching sessions including statistical analyses. - <i>British Psychological Society (BPS) Membership:</i> Students may wish to consider BPS student memberships. An annual student membership costs £26 per student.
<p>BSc Specialist Community Public Health Nursing <i>(Department of Clinical Sciences)</i></p>	<ul style="list-style-type: none"> - <i>Venepuncture training</i> if not previously undertaken: £150 - <i>Travel to placement costs:</i> Normally up to a maximum of £500 per annum depending on the location of placements.

<p>BSc Sport, Health & Exercise Sciences (all pathways) (Department of Life Sciences)</p>	<p>- Students may wish to consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and teaching sessions that entail statistical analyses.</p> <p>- <i>British Psychological Society (BPS) Membership</i>: Students may wish to consider BPS student memberships. An annual student membership costs £26 per student.</p>

Postgraduate Taught Programmes

2.4. College of Business, Arts and Social Sciences (CBASS)

Course	Additional Cost
<p>MSc Anthropology of Childhood, Youth and Education</p> <p>MSc Anthropology of International Development and Humanitarian Assistance</p> <p>(Department of Social & Political Sciences)</p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project.</p> <p>The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.</p>
<p>MSc Banking & Finance</p> <p>(Department of Economics & Finance)</p>	<p>Preparation for the Chartered Financial Analysts (CFA)[®] level I exam: In late June, students who successfully complete all their taught modules may register for the December Chartered Financial Analysts (CFA)[®] exam. Fitch Learning will then provide a 10-day intensive programme followed by two further days' revision at Brunel, in preparation for the external CFA[®] level I exam.</p> <p>To ensure our students full access to the tools required to study towards the December exam, students need to access the Fitch Learning Online Portal and Mobile App (cost of £1,314). This is offered:</p> <ul style="list-style-type: none"> - Free to students with a distinction in their taught modules - Discounted at 50% for students with a merit - Discounted at 30% for students who pass <p><i>(CFA Institute, CFA[®] and Chartered Financial Analyst[®] are trademarks owned by CFA Institute. The CFA Institute does not endorse, promote, or warrant the accuracy or quality of the products or services offered by Fitch Learning.)</i></p>

<p>MA Children, Youth and International Development (Department of Social & Political Sciences)</p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project. The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.</p>
<p>MSc Finance & Investment (Department of Economics & Finance)</p>	<p>Preparation for the Chartered Financial Analysts (CFA)[®] level I exam: In late June, students who successfully complete all their taught modules may register for the December Chartered Financial Analysts (CFA)[®] exam. Fitch Learning will then provide a 10-day intensive programme followed by two further days' revision at Brunel, in preparation for the external CFA[®] level I exam.</p> <p>To ensure our students full access to the tools required to study towards the December exam, students need to access the Fitch Learning Online Portal and Mobile App (cost of £1,314). The CFA Institute does not endorse, promote, or warrant the accuracy or quality of the products or services offered by Fitch Learning.)</i></p>
<p>PG Cert Intelligence Analysis (Dept of Social & Political Sciences)</p>	<p>- The tuition fee includes the cost of a residential element costing £1260.</p>
<p>MA Intelligence and Security Studies (Distance Learning) (Dept of Social & Political Sciences)</p>	<p>- The tuition fee includes £1260 for a 1 week residential element in year 1 (there will be a second residential element in year 2 which will again be incorporated into the tuition fee).</p>
<p>MSc Medical Anthropology (Department of Social & Political Sciences)</p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project.</p> <p>The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.</p>
<p>PGCE Primary and Secondary (all programmes) (Dept of Education)</p>	<p>- <i>Travel costs to placement schools</i> can vary considerably with personal circumstances, including where student teachers live. The highest travel cost seen during the last academic year was as high as £30 per day for a student living a long way out of our partnership area; for most students it is considerably less.</p>

<p><i>(PGCE (all programmes) - continued)</i></p>	<p>There are a minimum of 120 placement days in the course, commonly it is closer to 125. The monthly training bursary, for students in receipt of it, is intended to offset the cost of these out-of-pocket expenses.</p> <p>- <i>Enhanced DBS check:</i></p> <ul style="list-style-type: none"> • Home fee paying students completing the application in the UK: £46.81 <ul style="list-style-type: none"> - ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office. • EU and Overseas fee paying students, or anyone completing the application outside of the UK: Total cost £57.81 <p>PGCE Secondary (all programmes)</p> <p>- <i>All of the above costs, plus travel costs for a Science Education Conference: approximately £30</i></p>
<p>MSc Psychological and Psychiatric Anthropology <i>(Department of Social & Political Sciences)</i></p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project.</p> <p>The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.</p>
<p>MRes Social Anthropology <i>(Department of Social & Political Sciences)</i></p>	<p>Fieldwork for the dissertation project may be carried out in the UK or abroad. If the research for the project is conducted locally, any additional costs will be minimal. Research conducted in other parts of the UK or overseas is likely to involve subsistence and travel costs, though in some cases students are able to arrange funding via a placement or volunteer job as the basis for their project.</p> <p>The potential additional costs will typically fall within the range of £0 to £2,000, depending on where the research is undertaken.</p>

2.5. College of Engineering, Design and Physical Sciences (CEDPS)

Course	Additional Cost
<p>MSc Bioprocessing Engineering <i>(Department of Chemical Engineering)</i></p>	<p>- <i>Lab coat & other Personal Protective Equipment (PPE):</i> The University will provide a lab coat, gloves, and safety glasses free of charge. If the lab coat is lost or damaged, a replacement lab coat will cost £15.</p> <p>- <i>Poster Presentation/Binding Costs:</i> £30-50</p> <p>- Students may consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and class teaching sessions.</p>

<p>MEng Chemical Engineering (Department of Chemical Engineering)</p>	<ul style="list-style-type: none"> - <i>Lab coat & other Personal Protective Equipment (PPE)</i>: The University will provide a lab coat, gloves, and safety glasses free of charge. If the lab coat is lost or damaged, a replacement lab coat will cost £15. - <i>Poster Presentation/Binding Costs</i>: £30-50 - Students may consider purchasing a laptop computer which can be used for coursework, digital examinations, independent work and class teaching sessions.
<p>MSc Flood & Coastal Engineering (Department of Civil & Environmental Engineering)</p>	<ul style="list-style-type: none"> - <i>Field Trips</i>: Students must provide their own wet and cold weather clothing and suitable footwear. For self-funding students there will also be a part contribution charge of £250 towards the accommodation for the compulsory 1 week Summer School at HR Wallingford.
<p>Mathematics (All Department of Mathematics courses)</p>	<p>It is recommended that students purchase a calculator. The only calculators we allow in exams are Casio fx-83 and fx-85 (any suffix). The price for such calculators is usually £10-£20 when purchased from most stationary stores or online.</p>
<p>MSc Structural Engineering (Department of Civil & Environmental Engineering)</p>	<ul style="list-style-type: none"> - A contribution of £200 towards the Constructionarium costs will be required. - Students should also equip themselves with suitable wet and cold weather outdoor clothing and footwear. The Department provides suitable personal protective equipment (PPE e.g. boots, goggles, gloves) when needed. Students may wish to purchase their own PPE, but should check with the Department first to ensure the health and safety requirements are met.

2.6. College of Health and Life Sciences

Course	Additional Cost
<p>MSc Disease Mechanisms and Therapeutics (Department of Life Sciences)</p>	<ul style="list-style-type: none"> - <i>Lab Coat</i>: £15 - <i>Poster Presentation Costs</i>: £30-50
<p>MSc Occupational Therapy (Pre-Registration) (Department of Clinical Sciences)</p>	<p>Placement costs <i>Home and EU fee paying students:</i> Students may be asked to pay an additional fee of £1,000 per annum to contribute towards the cost of the placements. N.B. This is dependent upon national policy, which is yet to be announced. <i>Channel Island and Overseas fee paying students:</i> There will be an additional fee of £1,000 per annum to cover placements.</p> <p>Placement Travel and Placement Accommodation costs In 2018/9 Home students could claim their travel and accommodation costs, this</p>

<p><i>(MSc Occupational Therapy (Pre-Registration) – continued)</i></p>	<p>is determined by the guidelines set by the Government (Business Services Authority). If students are not eligible to claim back these expenses, this will normally cost between £500 - £1000 per programme; depending on the location of the placements. For full details please visit http://www.thefundingclinic.org.uk/</p>
	<p>Additional Costs (per annum)</p> <ul style="list-style-type: none"> - <i>Poster printing</i>: £20-25 - <i>Membership of College of Occupational Therapists (COT)</i>: £60 pa - <i>Professional exams</i>: For those wishing to sit the USA NBCOT exam the fee is \$515 (online) or \$555 (paper). You may also wish to buy the NBCOT Review & Study Guide for \$90 https://www.therapyed.com/occupational-therapy/review-study-guide. For further information see http://www.nbcot.org/fees - <i>Food Hygiene Online Training</i>: £12 - <i>Uniform</i>: £70 (Overseas fee paying students only) - <i>CPR (BLS: Basic Life Support) Training</i>: students must organise and fund this themselves for each year of study at a cost of approximately £25 per year. There must be a practical component to this training. - <i>Immunisations</i>: For details please visit our website https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Card <p>- <i>Enhanced DBS check</i>:</p> <ul style="list-style-type: none"> • Home/EU fee paying students completing the application in the UK <ul style="list-style-type: none"> - DBS application: No charge - ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office. • Overseas fee paying students or anyone completing the application outside of the UK: Total cost £57.81
<p>MSc Physician Associate <i>(Department of Clinical Sciences)</i></p>	<p>Placement Costs</p> <p>Students may be asked to pay an additional fee of £10000 to cover placement costs spread over Year 1 (£2500) and year 2 (£7500) of the course. For 2018/9 entry this was funded by Department of Health (DoH) for a capped number of students, which did cover all our Home/EU Brunel students.</p> <p>Placement Travel and Placement Accommodation costs</p> <p>There will be costs associated with travel to/from placements to both primary and secondary care providers, in the region of £500 - £1000.</p>
	<p>Additional Costs</p> <ul style="list-style-type: none"> - <i>Membership of the Royal College of Physicians Faculty of Physician Associates (RCPPFA)</i>: £12 per annum - <i>Examination fee associated with the 'UK Physician Associate National Certification Examination'</i>: £550 (subject to change) - <i>Purchase of a Stethoscope</i>: Approximately £60 - <i>Immunisations</i>: For details please see https://www.brunel.ac.uk/study/admissions/professional-course-requirements/Immunisation-Card

<p><i>(MSc Physician Associate – continued)</i></p>	<p>- <i>Enhanced DBS check:</i></p> <ul style="list-style-type: none"> • Home fee paying students completing the application in the UK: <ul style="list-style-type: none"> - DBS application: £46.81 - ID check: No charge if carried out on Brunel campus, £11 charge if the ID check is carried out at a Post Office. • EU and Overseas fee paying students completing the application outside of the UK: £57.81
<p>MSc Physiotherapy (Pre-Registration) <i>(Department of Clinical Sciences)</i></p>	<p>Placement Costs <i>Home and EU fee paying students:</i> Students may be asked to pay an additional fee of £1,000 per annum to contribute towards the cost of the placements. N.B. This is dependent upon national policy which is yet to be announced.</p> <p><i>Channel Island and Overseas fee paying students:</i> There will be an additional fee of £1,000 per annum to cover placements.</p> <p>Placement Travel and Placement Accommodation costs In 2018/9 Home students could claim their travel and accommodation costs, this is determined by the guidelines set by the Government (Business Services Authority).
