

Your postgraduate journey

FOR HOME AND EU APPLICANTS

1

Choose your Brunel postgraduate course and apply on the Brunel website

Need help deciding on a course? Use our course finder tool to assist you. You will receive an automated email confirming we've received your application.

2

Relax. We're working hard on assessing your application so there's no need to do anything unless we contact you for more information

We'll email you if:

- We need further information in order to assess your application
- Your application has been referred to the academic department for further review
- Your course requires an interview or audition, or you need to submit a portfolio
- You have to complete a Fee Status Questionnaire (FSQ) - this is to help us determine whether you should be treated as a home or international student for fee paying purposes. If you receive an FSQ, you will also be provided with some guidance on how to complete this

3

Congratulations, you've been offered a place at Brunel!

You'll receive an offer email from us confirming the outcome of your application.
