

Teacher training for International English teachers

Brunel Language Centre's 2-week course aims to enhance participants' teaching methods and strategies in order to deliver engaging English classes to their students. The course offers guidance as to how to teach most effectively with the aim to maximise student progress in the English language.

What we offer

Participants will have the opportunity to:

- evaluate current coursebooks;
- gain a better understanding of the factors influencing fluency and accuracy;
- gain a better understanding of barriers to learning;
- explore a range of techniques to enhance learning;
- reflect on and improve one's own teaching practice;
- explore the use of current technologies in the classroom;
- enhance feedback and error correction.

Social Programme

Participants will also have the opportunity to join our social programme, which includes weekly sporting and social activities and regular trips throughout the UK (e.g. Windsor Castle, Cambridge).

Start Date and Fee

11 August 2025 - 24 August 2025.

Cost: £900
